EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: In claim 1 on line 1, delete "for use". In claim 6 on line 1, delete "adapted to provide" and insert in its place --providing--.

The following is an examiner's statement of reasons for allowance: The prior art of record, neither singly nor in combination, disclose an electrically powered blower connected to an air inlet in a cowl the electrically powered blower having an inlet and an outlet the blower outlet being connected to an inlet of an elongated heat shroud used for collecting heat from the aircraft engine exhaust system wherein said outlet from the heat shroud is ducted into the airplane cabin.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The provided references are representative of the state of the art that is applicable to the applicant's invention. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Derek S. Boles at (571) 272-4872.
